COUNTERFEIT MATERIALS PREVENTION POLICY

Amitron is committed to preventing the introduction of counterfeit materials into our products. To achieve this, we will:

- Use materials that are only made directly from the manufacturer or manufacturer approved sources thereby ensuring that product is new, authentic, and fully warrantable under the direct supplier and that accurate up-to-date technical information is readily available.
- Inform our suppliers of this policy and hold suppliers accountable for compliance.
- Maintain appropriate processes and provide ongoing training to Amitron employees and suppliers to assure material authenticity.
- Investigate all incidents of suspected counterfeit material reported to Amitron's supply chain management.
- Maintain appropriate processes to isolate quarantine and remove counterfeit materials from Amitron's supply chain, and make appropriate disclosures to the proper authorities.
